PROFESSIONAL SUMMARY

Adobe Certified Creative Designer with 6+ years of experience building full brand identities, digital campaigns, and marketing collateral for startups and freelance clients. Expert in **Adobe Creative Suite**, Figma, and generative AI tools, with a proven track record of boosting client engagement by up to 40% and maintaining a 90%+ satisfaction rate. Skilled at translating complex briefs into high-impact visual narratives across digital and print channels.

EDUCATION

BS, Computer Science | COMSATS University Islamabad, Pakistan

Sep 2022 – Jun 2026

SKILLS

Design Tools: Adobe Creative Suite (Illustrator, Photoshop, InDesign, Firefly, Express), Figma, Canva

Specializations: Brand Identity, Logo & Packaging Design, UI/UX, Social Media Design, Marketing Collateral

AI & Workflows: Adobe Firefly, Generative AI Workflows, Prompt Engineering for Visual Design

Core Strengths: Campaign Strategy, Brand Guidelines, Visual Storytelling, Team Leadership, Client Communication

EXPERIENCE

Design Intern | Centangle Interactive, Islamabad

Aug 2025 – Sep 2025

- Produced high-impact marketing collateral and vector graphics aligned with diverse client brand guidelines using Adobe Creative Suite.
- Translated complex project briefs into clean, user-focused narrative layouts using applied visual storytelling principles.
- Enforced standardized quality-control workflows to maintain total brand consistency across all corporate assets.

Freelance Designer & Brand Strategist

Sep 2022 – Present

- Delivered full brand identities for startups and independent clients: logos, packaging, UI mockups, and social media visuals using Adobe Illustrator, Photoshop, Figma, and Firefly.
- Boosted client engagement and brand recall by up to 40% through strategic, visually consistent design across digital and print touchpoints.
- Maintained a 90%+ client satisfaction rate by pairing creative execution with audience-driven brand strategy.

LEADERSHIP & VOLUNTEER EXPERIENCE

AWS Builders Group at CUI | COMSATS Islamabad

Oct 2024 – Jun 2026

Campus Co-leader / Vice Captain (Jan 2026–Present) · Deputy President (Sep 2025–Jan 2026)

Managing Director (Mar–Aug 2025) · PR Head (Oct 2024–Mar 2025)

- Architected the complete visual identity of AWS Builders Group at CUI: logo, brand system, event materials, and full social media design framework, built from the ground up.
- Conceptualized and executed targeted digital marketing campaigns for tech events, workshops, and community initiatives, measurably growing the club's online presence.
- Progressively advanced through four leadership roles, directing cross-functional teams and managing all external PR communications.

COMSATS Drama & Comics Society (CDCS), Lead Designer | COMSATS Islamabad

Nov 2023 – Oct 2024

- Built the complete CDCS visual identity: logo, thematic graphics, brand guidelines, and a full social media design system, elevating society branding across all events and platforms.
- Designed and launched 17+ targeted digital campaigns over two semesters, measurably boosting event visibility and student engagement.
- Mentored team designers on tool proficiency and brand consistency, ensuring high-quality, on-time creative delivery.

CUI Tech Society, Brand & Visual Designer | COMSATS Islamabad

Apr 2025 – Jan 2026

- Developed the full visual identity for CUI Tech Society: logo design, brand guidelines, and a cohesive social media design system for ongoing campaigns.
- Created marketing collateral and campaign assets for society events, driving increased student awareness and event attendance.

CERTIFICATIONS

Adobe Certified Graphic Designer | Adobe / Coursera | Jun 2025 | coursera.org/verify/professional-cert/OTZUWAXWSPT

- Completed a **5-course curriculum** in Design Fundamentals, Image Editing, and Document Design; earned 5 distinct Adobe certifications under one professional track.
- Mastered Adobe Illustrator, Photoshop, Firefly, and Express for professional-grade digital layouts, vector design, and AI-powered creative workflows.
